**From prototype to production; we specialize in aluminum, stainless steel, and subcontracting.
A member of the American Welding Society since 1999.**

Since 1987, Sahn Welding and Fabrication has provided services that span one time requirements to ongoing projects and quantities. Utilizing state of the art technology, we are able to weld parts quickly and precisely in our 11,400 square feet plant ideally located in Missouri. We are a small business with big talent: Sahn fabricators and certified welders bring a unique combination of talent and expertise to every project. We are committed to providing personal service and the highest quality work, while meeting deadlines and schedules.

Past Performance:

PARKER HANNIFIN (SPORLAN VALVE DIV.)

206 LANGE DRIVE WASHINGTON, MISSOURI 63090

A customer since 2000 we have designed and fabricated several special products for their maintenance dept and manufacturing processes such as paint and storage racks, blast ring component holders, table tops, stainless steel cooling chambers and tester baths, and steel woven baskets for their production lines.

MELTON MACHINE & CONTROL CO.

6350 BLUFF ROAD WASHINGTON, MO 63090

Since 2005 they have been a repeat customer more than 150 times. We have fabricated sheet metal details, brackets, and have sent welders from our facility to theirs for contract welding.

NOA MEDICAL INDUSTRIES INC.

801 TERRY LANE WASHINGTON, MISSOURI 63090

For the past several years we have done quality, on time work for NOA Medical. Items for them have included welding pivot arms, back ratchet handles, connecting bar assemblies, shipping feet, side rails etc.
